## • Error Analysis Form •

WHICH question did I get wrong?	WHY did I get this question wrong?	HOW can I avoid making this same type of error the next time around?

TYPES OF ERRORS: Use the suggestions below to help you complete column two.

- |   |   |
|---|---|
| <input type="checkbox"/> I didn't check my work (careless error).                             | <input type="checkbox"/> I ran out of time.                                       |
| <input type="checkbox"/> I didn't know/understand this material.                              | <input type="checkbox"/> I knew the material; my writing skills were the problem. |
| <input type="checkbox"/> I didn't study this material / didn't think it would be on the test. | <input type="checkbox"/> I knew this material but forgot it on the test.          |
| <input type="checkbox"/> I didn't answer the question that was asked.                         | <input type="checkbox"/> I forgot to answer part(s) of the question.              |
| <input type="checkbox"/> I didn't understand the question or directions.                      | <input type="checkbox"/> Other: _____   |
