# HOME Learning Planner

Tasks

Learning targets

**How:** How will you complete these tasks?

When?

Where?

How long will you spend?

Are there any distractions you'll need to avoid?

**Order:** In what order will you complete these tasks? Why?

**Materials:** What resources will you need to complete the tasks?

**Evaluation:** How will you assess your performance (for example, your understanding of the content, effort level, or quality of work)?

**Reflection (respond on the back)**

How did the tasks enhance your learning? How did your decisions affect the quality of your work?
